DISTRICT SCHOOL BOARD

Hello Dr. Ross Tilley Families,

Welcome Fall! It is hard to believe that a month of school has already passed. Things have been running very smoothly, although we continue to remind students when they are outside that we still need to physically distance. This has been the strangest start-up of a school year I have ever experienced, yet it has also been one of the most successful to date. Safety of staff and students continues to be a main focus for us, and we continue to encourage all students to wear masks and move around the school in a safe manner.

We will have picture day on October 27th, and we have worked with the photographer to make sure it is done within our current protocols. Students will be photographed standing up and all distancing rules will be adhered to.

It will be most important to make sure that students who are sick or showing any of the symptoms of Covid-19 remain at home. They can return to school 24 hours after symptoms are gone. Any student who becomes sick during the day will be isolated and parents will be called to come and pick them up. Also, please make sure that you vacate the kindergarten area as soon as you drop off, so we don't have a crowd of parents standing there.

I would like to thank you on behalf of Ms. Ranelli and myself, for the very warm welcome we have received joining this school community. We are looking forward to a great year with such a great community.

On September 28th we had the honour of presenting two residential school survivors with a quilt and blanket, organized by Mrs. MacNaughton and Mrs. Miehle's class. It was a very powerful time of learning for our kids.

School Council:

School council meetings will be held virtually for the foreseeable future. Our first meeting will be on Monday October 4th at 6:30. We will also select our executive positions at that meeting. All parents are invited, and a link to the meeting will be sent out in advance of the meeting.

Nut Safe School

Dr. Ross Tilley School is a nut safe school. Please make sure to double check all food labels to ensure that they do not contain nuts or traces of nuts.

Congratulations to our school community for exceeding our goal of \$1000 for cancer research through the Terry Fox run, which was held on September 29th.

Way to Go Titans!!
